# Modernization of Federal Inspection Services (FIS) at International Airports

JANUARY 14-15, 2025  
KECK CENTER, WASHINGTON, DC

DESIGN • PLANNING • TECHNOLOGY • ACCESSIBILITY  
FUTURE-PROOFING • EFFICIENCY • RESILIENCE

How will airports accommodate growth of international passengers and bags? Join airport/terminal planners, CBP, airlines, innovators, and futurists to share ideas for modernizing Federal Inspection Service (FIS) facilities at airports.

ACRP Insight Events promote collaboration to address emerging challenges and identify areas of future research.
